CORPORATE EVENTS / OUTDOOR EXPERIENCE
ADRENALINE

SKIRESORT.CZ

ABOUT US

Jsmc SkiResort Live.

During the winter season we run a modern ski school, ski rental and service and a test centre with top-notch ski equipment Salomon and Atomic.

During the summer season we rent scooters Crussis and top-level e-bikes Scott. We have opened the highest located climbing wall in the Czech Republic at the top of Černá hora. Our sports shop located in the building of the bottom cable car station in Janské Lázně is open all year round.

We also arrange corporate and group events.

Our venues can be found in the largest ski resort in the Czech Republic - SkiResort ČERNÁ HORA - PEC.

„Life is LIVE“

CORPORATE AND EXPERIENCE EVENTS

- > Attractive tailored programmes
- > Complete services including accommodation, catering, ski passes, tickets and sports equipment
- > Half-day, full-day, multi-day events
- > Focusing on team-building and efficient communication

UNCONVENTIONAL CLIMB

SNĚŽKA TOUR & ČERNÁ HORA TOUR

- › Join a role play and experience the lives of mountain rescuers and head for adventure in the wilderness of the Giant Mts.
- › Discover your hidden skills such as coping with crisis situations and strengthen your team spirit.
- › Intended for corporate events, interest groups, sports teams

A high-angle, close-up photograph of three people gathered around a large topographic map spread on a wooden surface. The map shows various terrain features, including ridges, valleys, and trails, with different colors representing elevation. One person's hand is pointing at a specific location on the map. Another person's hand is holding a small white card with coordinates. The background is dark and out of focus, suggesting a wooded area.

CAN YOU FIND YOUR WAY? _____

ORIENTEERING GAME & GEOCACHING

- Test your navigational skills, establish priorities and advance using control points and coordinates. An orienteering action game in the area of the Giant Mts. ridges suited for two-member patrols as well as guided teams.
- Intended for corporate events combining performance, hiking, racing and navigational skills. It can be done on foot or on e-bikes.

A close-up, low-angle shot of a person climbing a rock wall. The climber is wearing a black shirt with green accents, a green helmet, and white goggles. They are holding a red and silver ice axe with both hands, using it to ascend the rock face. The rock is light-colored and textured. The background is slightly blurred, showing more of the rock wall and the climber's gear.

PUSHING YOUR LIMITS

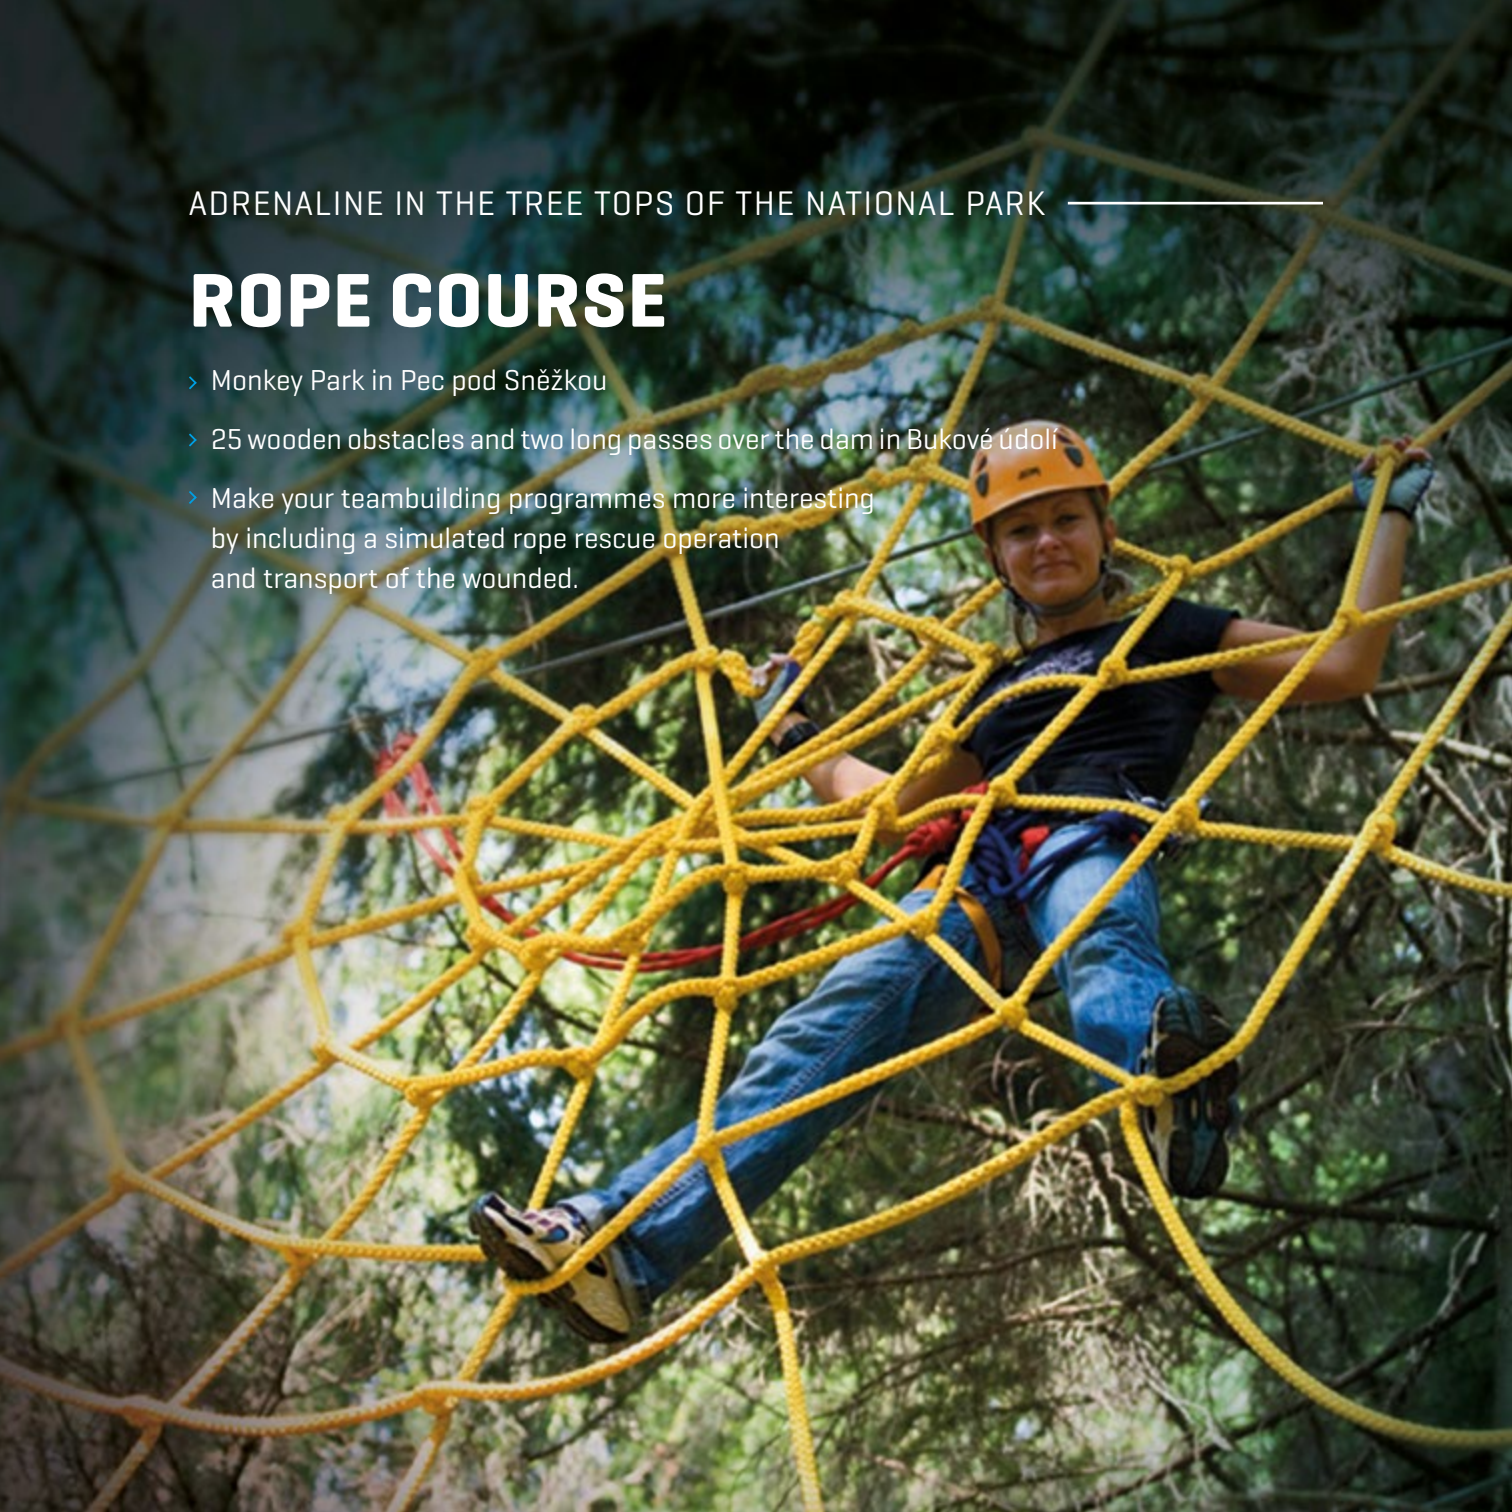

CLIMBING WALL ON ČERNÁ HORA

- › Learn the basics of climbing through experience
- › The highest located profiled climbing wall in the Czech Republic, offering are of 160 m² and more than 40 different climbing options.
